STATE HIGHWAY COMMISSION PROMISES TO PERSONALLY INSPECT VALLEY ROUTES

ASSURANCE GIVEN ASSEMBLYMAN FULWIDER THAT COMMISSIONERS WILL GO OVER GLEN ELLEN-EL VERANO ROAD NEXT MONTH.

Assemblyman Fulwider has interested the State Highway Commissioners in reference to the routing of the Schellville-Santa Rosa road and they promise our representative to go over the Glen Ellen-El Verano route some time next month. It would seem from the Assemblyman's letter that our valley organizations should keep in touch with the board from now on and extend an invitation to the commissioners to a get-together lunch at a date to be arranged at the convenience of the official visitors.

Following is the letter received by this newspaper Thursday:

Sonoma Index-Tribune, Sonoma, California.

Dear Sir:

A week ago Monday evening I attended a mass meeting in the hall at Glen Ellen. At that time I promised the meeting that on my return to Sacramento I would see the Highway Commission and urge upon the commission the necessity of sending some one over there to view the road via Glen Ellen.

I saw the president of the Highway Commission today and he said that they would send some one over there as early in May as possible, and that they desired to view that route, and would be perfectly willing to do so and state their opinion to the residents of the valley as to the most practical route for the highway.

I told them that we were desirous of entertaining them at a luncheon at some place in the valley, and that we expected to hear from them in time for us to make the necessary preparations. Respectfully,

L. E. FULWIDER.

Automobile Ferry Service

The Northwestern Pacific Railroad Company having completely rebuilt its ferry steamer Sausalito after the accident of May, 1920, is now engaged in the reconstruction of its huge ferryboat Ukiah. This vessel has been used for the ferryage of freight cars between San Francisco and Tiburon, and also for the handling of automobiles between San Francisco and Sausalitto. It is now to be converted into a first-class passenger boat, fitted for automobile ferry service, with a maximum capacity of one hundred machines.

Wayne Batchelor and family of Marysville have returned to Sonoma and will reside in the cottage formerly occupied by Postmaster Wagnon.

LOUISE BATTO WEDS ALBERT GROSKOPF

Eldest Daughter of Prominent Family Married to Ex-Service Man at St. Francis Church.

Wedding bells rang out bright and early Wednesday morning for Miss Louise Batto, eldest daughter of Mr. and Mrs. Fred Batto of Vineburg, and Albert Groskopf, prominent Native Son and ex-service man.

Attired in a handsome blue tailor suit, with hat to match, and attended by her sister Emily, the attractive young daughter of the Valley of the Moon plighted her troth to Mr. Groskopf, who was attended by his brother, Olice. Rev. Father Byrne performed the ceremony which united the happy couple. The romance culminating in this wedding began before Mr. Groskopf went to war and when he returned from France he won the promise of the fair daughter of Sonoma's prominent banker to be his bride. The young lady is highly regarded by all who know her and will be the recipient of endless good wishes when she returns from her honeymoon in Southern California. The groom is the son of Mrs. Groskopf of Whispering Pines and is a young man of many sterling traits of character. He has been a trusted employee of Batto & Sons for several years at their extensive warehouses near Vineburg.

They're Off Tomorrow!

At 2 p.m. tomorrow an event of keen interest to racing enthusiasts is to be pulled off at the Schweitzer ranch. There will be a running race participated in by some of Sonoma valley's classiest horses, with mounts that would make the talent at Tia Juana sit up and take notice.

The form chart would give you the following "dope":

1. Ketchum, by Salvator, out of Babbling Water; rider, Razor Pete, erstwhile jockey for Foxhall Keene, and "some" boy! West End Lily, by Morello, out of Nancy Hanks; ridden by Joe Felder, pride of the West End cowboys. Lady, by Bear Catcher, out of Red Leaf; ridden by Joe Danieli, El Verano's favorite. He's a bear.

The race will take place down Schweitzer's lane and a record is to be hung up, so the rail birds say.

Frost Damage to Vineyards Here

Some vineyardists of the Sonoma valley estimate damage to their vineyards from the recent frost as high as fifty per cent.

MILLERICKS HAVE GOVERNMENT STALLION

To Promote Breeding of Light Horses, Army Places Noted Sire Here. At Stud Free on Schellville Ranch.

In accordance with the plans of the Government to revive interest in the breeding of light horses for riding and driving, the Remount Station Quartermasters department of the U. S. Army has placed with the Millerick brothers of Schellville, one of the blooded stallions which is to be the sire of some good colts in this vicinity. Mars Mouse is the name of the Government stallion placed here for free service to all owning good mares and anxious to breed the light type of horses. Sixty stallions are owned by the government and have been distributed throughout the West.

There are no strings on the colts, but any sired by Mars Mouse will be looked at by Government buyers when they are in need of four year olds.

The driving and racing horse is due to come back although interest in breeding of these fine animals fell off to such an extent that the Government has been forced to take a hand in perpetuating them.

Would Establish Tours Here

P. E. Crabtree of Crabtree's travel office was in Sonoma this week looking over the field with a view to including the Valley of the Moon in a two-days' trip for tourists which he will establish. The itinerary would include a visit to the navy yard at Vallejo, theace to Napa and from there to Sonoma valley, where the old Mission and the General Vallejo home would be shown the tourists, also our natural mineral springs and the Jack London ranch. After an all-night stay at Santa Rosa, the Crantree party would go to the petrified forest and to the geysers of Calistoga.

Mrs. Emparan assured Mr. Crabtree that if it would contribute to the upbuilding and fame of Sonoma valley she would gladly permit visitors to the historic home, Lachryma Montis.

SPECIAL MEETING OF RED CROSS

Red Cross members are urged to attend the special meeting called for Wednesday evening, April 29th at the Sonoma Grammar School Auditorium. Important business is to be transacted including the discussion of the advisability of voting funds from the treasury to aid the Chinese relief work.

BOYES SPRINGS THEATRE OPENS NEXT SATURDAY

Moving Pictures and Dancing To Wilson's Jazz Orchestra To Be Attractions.

Boyes Springs Theatre opens for the summer next Saturday night and in addition to a special feature moving picture, there will be dancing to Wilson's famous Jazz Orchestra which returns to Boyes after a successful winter engagement at San Diego. Mr. and Mrs. Wilson and their musicians will be accorded a hearty ovation. George Cause will be the manager of the theatre again this season.

Sunday, May first, the baths at Boyes will be formally opened to the 1921 bathing enthusiasts and health seekers. There will be dancing at the pavillion there the same as last year. Boyes Springs predicts a big season and will advertise extensively.

Will Be Married Monday

Mrs. Goebel, mother of Mrs. Al Dutil, who has been the accommodating saleslady at the bakery for some time past, is to be married on Monday to Chas. Myatt of Stockton. Mr. Myatt is connected with the Western Electric company of that city.

Mrs. Goebel formerly held a position at the State Home and has many friends throughout the Sonoma valley who will wish her the greatest happiness.

Sold His 41-Acre Ranch

E. J. Harris has sold his 41-acre Vineburg ranch, consisting of a fine orchard, with improvements, to John Fox of San Francisco.

Mr. and Mrs. Harris and family have moved into town and Mr. Harris will devote his entire time to his real estate business. The live wire realty man expects to stimulate a lot of interest in Valley of the Moon property.

Gift to Library

Mrs. G. H. Hotz has donated one hundred and eleven volumes of fiction, juvenile, miscellaneous and history to the Sonoma Library. The books have been catalogued by Librarian Kate McDowell and placed on the shelves.

A. D. Tietjen, of a prominent bond firm of San Francisco, passed through the valley Thursday. Mr. Tietjen is no stranger here, as he often visits at the Gordenker home in Glen Ellen, his wife having been Miss Nellie Gordenker. He expects to go into the bond business for himself very shortly. Mr. Tietjen and his charming wife have been entertaining the former's mother from the East for some time past.

POINTS OUT NEED OF NEW HIGH SCHOOL BUILDING AT FARM CENTER MEETING

FARMERS OF THE VALLEY HEAR TALKS FROM FARM ADVISER PROF. GOLTON OF THE HIGH SCHOOL AND GOLDEN GATE FERRY MAN ON LIVE TOPICS OF DAY

At the regular meeting of the Sonoma Farm Center Wednesday evening, Prof. L. H. Golton made a strong plea for a new High School building for Sonoma. He explained the crowded conditions in the present quarters, and said that provision would have to be made for at least 30 new students next term. He estimated that a new building could be put up for $100,000 and asked that a committee from the Farm Center be appointed to look into the matter. President Levy appointed five members to investigate and to make recommendations back to the Center.

Farm Adviser Wieland spoke of the growth of the Farm Bureau and pointed out that Sonoma County is second in the state in number of Farm Centers and second in membership. He discussed many practical matters with the farmers present including septic tank construction, sour sap investigation and also told of the opportunity to purchase $135 government harness at $50 per set if enough orders for a carload can be secured.

Harry Speas, president of the Golden Gate Ferry Company gave a spirited talk on "Community Building". One of the things he said was that "the man who will not progress and keeps his neighbor from progressing, is a poor citizen." He pointed out the future for this section with adequate transportation and better roads. Mr. Speas announced that he had been given personal assurance by the Highway Commission that the Black Point road between Ignacio and Schellville will be paved this summer.

Mr. Bryan, director of the Ferry company explained the new Desel oil engine and advantage of the electric drive on the ferry boats to be put on the run between San Francisco and Sausalito.

A resolution endorsing the Golden Gate Ferry project was offered by Mr. Dow and adopted by the Center.

A motion picture of the Yosemite valley was shown at the end of the program.

ORGANIZATIONS TO MEET AT BUSINESS MEN'S BANQUET

Plans have been perfected by the Sonoma Business Men's Association for the Booster Banquet here on Thursday evening, May 5th. Covers will be laid for fifty people and in addition to the Business Men's Association members there will be present representatives from the Valley of the Moon Chamber of Commerce, El Verano Boosters' Club, Glen Ellen Boosters' Club, Kenwood Improvement Club, Glen Ellen and Sonoma woman's clubs, Santa Rosa Chamber of Commerce and Sonoma Farm Center. The Santa Rosa Chamber of Commerce has already accepted the invitation to participate.

Thos. P. Boyd, secretary and attorney of the Boyes Springs Hotel Company, will be one of the speakers of the evening. The San Francisco Chamber of Commerce will also send a speaker, and President Hilliard of the Santa Rosa chamber has been invited to give one of his clever and straight-from-the-shoulder talks.

The banquet is scheduled for 7 o'clock sharp at Cuicci's hotel. Reservations are being made at $1.25 per plate and a real banquet is promised. Owing to the limited seating capacity of the hotel the attendance will be confined to the organizations and the speakers of the evening. Arrangements are in the hands of Messrs. Lindley, La Torres and Murphy.

Eastern Star Had Official Visitor

The official visit of District Deputy Grand Matron Ramsey of Vallejo to the local chapter of Eastern Star was an event of Thursday night. Masonic hall, decorated in garlands of roses, never looked prettier. The work of the lodge, under the present officers, was reviewed by Mrs. Ramsy and highly complimented. At the conclusion of the meeting the visitor was presented with a beautiful Cluny trimmed center piece and escorted to the banquet room, where a fine collation was served in her honor. Mrs. Burmeister was in charge of the banquet arrangements and the menu and service were all that could be desired.

About sixty members were present and also Worthy Matron of Silver Spray chapter, Napa, and the Patron of that lodge.

Mrs. Ramsey was a guest at the Burmeister home while here.

Water Hearing Is Continued

The hearing before the railroad commission on the Durham water merger application was continued until the 29th, after some material testimony had been taken. Otto Wagner and Raoul Emparan testified as to the various properties to be capitalized.

EL VERANO SCHOOL ORGANIZATION MAKING GOOD PROGRESS

The recently organized El Verano Parent-Teachers Association had a fine meeting last week. Permanent officers were elected. After the retirement of Mrs. Burmeister, who is president until July, but who will not consent to serve longer, the president will be Mrs. Henry Norrbom, with Mrs. Burmeister first vice, Mrs. Franquelin secretary and Mrs. Steinkamp treasurer.

Mrs. Kate Hill addressed the organization on the good to be accomplished.

Next Friday night the children of the school will give a program and there will be stereoptican pictures for the benefit of the recently purchased picture machine. Refreshments will be sold by the Parent-Teachers Association, under whose auspices the entertainment is to be given.

Certain-teed Reduces the Cost of the Painter's Time

THE heaviest item in the cost of painting is the labor. Certain-teed lessens this cost because the high quality materials in it are so thoroughly ground and mixed that it spreads easier and has greater hiding power.

Certain-teed also covers more surface per gallon. It requires fewer coats to properly protect. It retains its color and beauty for a longer period of time.

All of these advantages are due to the high quality of Certain-teed. Its name means, "*Certain*ty of Quality—Guar-an*teed* Satisfaction." It is manufactured by a concern that has long been known as the makers of high quality products.

Let us help you make your Spring painting satisfactory and economical by supplying this highest quality paint. Certain-teed led in price reductions. We are now selling this paint at prewar prices.

A SMALL TOWN WITH A BIG MESSAGE

WE'LL TELL the world that Sonoma is a small town with a big message, and since our big sister city of San Francisco is going to make tourists sit up and take notice of all Northern California we are proud to make our bow. Sonoma, we'll tell the world, is the cradle of California, for here the history was enacted which made the state a part of the great U. S. A. Going back to the Mexican era and to the Mission's founding is still more interesting and all this historical attractiveness is not set down in a desert, but is in the midst of the greatest natural beauty, the romantic past being intertwined with the charm of natural environment.

We'll tell the world of a past and present and of future, too, when the world comes to our threshold and looks in.

We'll tell the world of the aborigines who found health and relief at the natural mineral springs which abound in our Valley of the Moon. History has proven their medicinal value. The primitive man was first to discover these waters as the panacea of many ills. These same wonderful waters are available now to all health seekers. It's something the world should know.

And now, in a whisper, we'll tell the world of our vines and wines, surely an allurement in this "dry" age. Sonoma valley and its beauteous vineyards would delight old Omar himself.

Sonoma City, a little town with a big message, Sonoma valley or beauteous Valley of the Moon of which Jack London has already told the world a part, and Sonoma county with volumes to tell and demonstrate makes Soroma certain of the fame to which she is so justly entitled. Let's get aboard!

—o—

WHEN YOU bought the little Christmas seals to aid in tht fight against tuberculosis you made the possible the coming of the Traveling Motor Clinic, a hospital on wheels that comes to the door of those who need it. Here is what the headquarters press agent says of it:

"The traveling motor clinic is a hospital brought to the door of those unable to seek out examination and care. Hundreds of cases of tubercular tendencies have been di covered by the corps of clinicians that travel with it and that number of cases arrested and the attendant misery and economic loss minimized.

The clinic is equipped with facilities for diagnosis and full examination. It is accompanied by experienced clinicians and carries the very latest appliances known to science for such work. It travels from town to town and from county to county. Its doors are open to the afflicted that could never hope to reach a hospital and they are advised as to the state of their health, acting as it were, as a liasson officer between the people of the great back country and the doctor.

The M otor Clinic will be in this locality on May 28th.

MORE WORKERS, LESS DRONES

IF EDUCATION resulted in producing a population not one of whom would labor, it would be the greatest curse of mankind.

There is increasing protest against the ever-growing appropriations for the higher institutions of learning and the neglect given education of men and women to become workers.

Too many girls are trained up the silk-stocking and georgette crepe waist standards of living who cannot darn their own stockings, cook a plain meal or make childrens clothes. Dudes and dudettes mean national suicide.—Pacific Coast Manufacturer.

—o—

BERKELEY is having a tussle with Sunday closing agitators, and after interviewing ministers of various denominations discovers that the sky pilots are not all committed to the crusade to legislate folks into religious ways but that many are very reasonable in their view points. As usual, agitators and political self-seekers are responsible for the fomentation which is designed to keep a certain ilk in jobs and money as long as they can saddle their propagandas on the credulous. Until the church is cleared of these Pharisees religion in general will suffer.

—o—

A LEADING dry worker has crossed the continent twenty-five times in the interest of prohibition. Some worker!

CLUB NOTES

Flower enthusiasts were given a treat Friday afternoon at the social meeting of the Womans Club.

Miss Florence Murphy, who had charge of the program, had on display a fine collection of the wild flowers of this vicinity, which were the subject of a most instructive and interesting talk by Marion L. Campbell, botanist of Mill Valley.

Miss Emily Poppe, in her usual charming manner, rendered three piano selections. "Mendelssohn's Spring Song," Greig's "To Spring," and "To a Wild Rose" as an encore. Two songs, "Who is Silvia?" by Shubert, and "When Roses Bloom," were sung by Miss Edna Jensen.

A short business session was held after the conclusion of the program. A committee consisting of Miss Stofen, Mrs. R. Hill and Mrs. S. Woodworth was appointed to take up the matter of the $980 still remaining in the Mission Fund with the State Commission, and urge them to expend that fund on further restoration of the mission.

Special attention was called to the free illustrated lecture, "Save the Redwoods," by Newton B. Drury, to be given at the Woman's club house Friday evening, April 29th. Everyone knows the value and beauty of the redwoods, what they mean to California and what a detriment to the beauty of our state if they are allowed to be destroyed, so try to be present to learn more about them and how we can do our share in saving them.

The business session was followed by the usual social hour, with its accompanying cup of tea and cake, Mrs. George Lowell acting as hostess.

NELL W. CLEMENTS,
Club Reporter.

JOHN PLUTH MAKES IMPROVEMENTS AT HIS GRILL

John Pluth of the Eagle Grill has purchased a $500 player piano to entertain his customers who like music with their meals. A private dining room for parties has also been added to the restaurant. Mr. Pluth aims to keep his place strictly up to date and has made it very attractive for the 1921 season.

RECENT ACCIDENTS REPORTED

The young son of Mr. and Mrs. Roeder of Vineburg fell from a wagon and dislocated his left shoulder last week.

F. Lambert fell and dislocated his collar bone recently. He was running his buggy out of the barn when he stumbled and, in falling, suffered the fracture. Dr. Hays attended him.

Mr. and Mrs. A. J. Martinson and family have returned from a motor trip to San Luis Obispo. They went down via Monterey, where Mr. Martinson found some good fishing. The Martinson baby was nicely accommodated in the car with a little hammock and seemed to enjoy the motor "rock-a- by" immensely.

City Trustee Angelo Beretta has been on the sick list with the grippe, but under the skilled nursing of his wife was much improved by Wednesday.

FORDS COLLIDE AND MAN IS HURT

J. T Cofford and father had an accident this week when they collided with another Ford car driven by Joseph Sutter near the El Verano school house. The Fords locked wheels and in the mixup Cofford's car was overturned. The elder Cofford was pinned beneath the machine and was severely bruised and hurt. Dr. Hays attended him, but found no serious injuries. The car was badly damaged.

Cofford is in the butcher business at Boyes Springs. Sutter is the father of Wm. Sutter of the Valley of the Moon Garage at Fetters Springs.

Mrs. Martin Leixner underwent an operation at Cranes this week and is doing nicely. Mrs. Leixner is the wife of the well-known tailor, and many friends hope for the speedy recovery of his good helpmate.

STATEMENT OF OWNERSHIP

Management, Circulation, Etc., required by the Act of August 24th, 1912, of the SONOMA INDEX-TRIBUNE, published weekly at Sonoma, California, for April 16, 1921.

Editor, Celeste G. Murphy, manager, Celeste G. Murphy; business managers, W. L. and Celeste G. Murphy. Publisher, W. L. Murphy. Owners, Celeste G. Murphy and W. L. Murphy, both of Sonoma.

Known bond holders, mortgagees, and other security holders, holding one pere cent or more of the total amount of bonds, mortgages, or other securities. None.

Sworn to and subscribed to before me this 9th day of April, 1921.
(SEAL) ROBERT POPPE,
Notary Public in and for the County of Sonoma State of California.

PLAZA RESTAURANT TO OPEN IN HISTORIC BUILDING

Sonoma is to have a new restaurant in one of the historic buildings—the old Fitch house on the west side of the plaza has been converted into an up-to-date eating place which is to be opened to the public today by Harry Fine and Inez Ross. The best of eats, and coffee as a specialty, is promised by the proprietors and there will be a lunch counter and tables for patrons.

A waiting room for auto buses is to be placed at the disposal of the traveling public through the courtesy of the proprietors of the Plaza Restaurant, who aim to make courtesy and service their motto.

The Plaza will be found a cool and inviting place during the summer and everything will be neat and prices reasonable. See ad.

PLAZA BEING CLEANED UP

The trees and shrubs in the plaza are being put in good shape by Geo. Chicazola, gardener for the City of Sonoma. The walks are also being cleaned and the auto camping ground being made attractive for the season.

Your Speed the Sharples Speed

Every member of the family turns the separator crank at a different rate. Your present separator loses a lot of cream when the speed drops below normal. This loss amounts to more than you realize.

No matter who turns the crank, fast or slow,

THE NEW SHARPLES SUCTION-FEED

Separator gets *all the cream all the time.* The bowl draws in just enough milk to insure clean skimming. More cream means more money—a new profit without added expense.

The Suction-feed has many other important advantages. The cream is always of the exact thickness desired. The capacity increases with the speed. The large supply can is but knee-high—easy to fill.

The bowl has only three parts and no disks. There's nothing that's heavy, clumsy or fussy to wash.

We want you to see this superb new machine. Come in and let us show you what it will do.

MONEY AVAILABLE FOR SONOMA MISSION

Senator Slater writes from Sacramentto that he has doubts as to his chance to get the $2000 appropriation asked for the Sonoma Mission, but he has discovered that there is over $900 to the credit of our historic church in the funds of the Sutter Fort commission. This money was to have been expended for the upkeep of the Sonoma landmark, which is the property of the state, but it has not been utilized. As many improvements are necessary at the old mission and the grounds are now sadly neglected, the Sonoma Valley Woman's Club has appointed a committee to point out its needs to the commission and an effort will be made to have the money spent here. Unles it is utilized within three months the appropriation will revert to the general fund.

Sonoma's mission church was founded by Father Altimira in 1823 and is the mecca of many tourists.

YE TOWNE GOSSIP

(With apologies to K.C.B.)

Mr. Walter Murphy:
Dear Walter.
While I was
Riding up
Broadway
I was thinking
Before I was
Shook unconscious
That if we
Hurry
And set a
Day
And everyone
Arms herself
And himself
With a pick
Shovel or something
We could
Start at the
City Limits
And pick
And shovel
And everything
Until we reached
The bank corner
And every
Chuck hole
Was filled
Then we
Could look
Around
And in one
Voice say
"Put up
Your Sign
Which says
'Greater Northern California
Straight ahead"
I THANK YOU

Miss Mildred Burchard is still under treatment in San Francisco and her place in the grammar school is being ably filled by Mrs. Ralph Hotz.

C. P. Lelecopoulous, a San Francisco restaurant man, has purchased a two-acre improved place at El Verano through the agency of Thos. Baines.

Miss Eva Fauchier has accepted a position with the Luce Adjustment Company of Santa Rosa. She is the granddaughter of Rev. Mr. Cookman.

Minnie Harrison is now residing in Berkeley.

A baby girl was born to Mrs. Rackabear of Sonoma Vista, the little stranger making its advent Monday at the Crane sanitarium.

ROTHMULLER'S BAKERY IS APPRECIATED BY FOLKS AT ALL THE SPRINGS

The people living in the vicinity of Fetters and other springs appreciate the good bakery conducted by Mr. and Mrs. Rothmuller, who are opening up this year on a bigger scale than ever. They have been in business a number of years and have a fine patronage. Bread and cake, also any kind of pastry made to order are the specialties of the successful proprietors of the Vienna Bakery at Fetters Springs.

Mr. Rothmuller has been employed at Santa Barbara for the winter and has now returned to his own business here

RO-CARA-PASA CLUB TO DANCE TONIGHT

The Tea Garden dance to be given tonight by the Ro-Cara-Pasa Club promises to be well attended. Novel decorative effects and special aesthetic dances by the beautiful Russian dancer, Tamara Lawb will be features of the evening. The Womans clubhouse has been engaged for the event.

KAPLAN ENLARGES STORE IN BULOTTI BUILDING

Max Kaplan is to enlarge his up-to-date store and to make a special department for shoes with entrance on Napa Street. Mr. Kaplan since coming to Sonoma has built up a fine business and carries a big line of goods of quality priced right. The up-to-date merchant is well pleased here and will continue to improve his store as his business grows. Read his ads and keep posted.

Griffith Block Nears Completion

The mammoth garage being erected here by Al Griffith is nearing completion. The Griffith block is of solid concrete and with the removal of the scaffolding the progress on the big new structure by Contractor Riley is apparent. The building will be occupied by Messrs. Steve Griffith and Pete Boccoli about May 15th. The B. & G Garage will be the biggest in Sonoma county.

The new concrete block is a great improvement to the corner where formerly the Union Stable was located and when the windows and finishing touches are complete, this modern building will add materially to the appearance of Sonoma's entire business district.

Daniel Drake, clerk at Fetters Springs, was taken suddenly ill this week and had to be taken to the sanitarium.

OUR BOOSTERS WITH FIRE ENGINE PRAISED BY PETALUMA

The Boyes Springs fire department's new chemical auto fire engine "Valley Angel," arrived here at 4 o'clock on Wednesday afternoon on a good roads boosting tour and boosting trip for the Valley of the Moon Chamber of Commerce and it was gaily decorated with flags and bore a traffic sign reading, "Greater Northern California, Straight Ahead."

The engine proceeded to the city hall fire station where the big machine and the party of real boosters who accompanied it were heartily greeted by Chief Adams, the firemen and citizens and a pleasant hour was spent here. After the new engine had been inspected, admired and complimented, the visitors were shown the Petaluma apparatus and equipment and were pleased with the Petaluma outfit, and especially with the big Nott pumper, which was demonstrated for them. Later they toured the business streets and went home at 5 o'clock via the Adobe. They had been at Healdsburg and Santa Rosa before coming here.

The delegation was composed of "Mayor" J. W. Minges of Boyes Springs, Fire Chief W. B. Cause, a born fire fighter, whose father was a fireman before him, R. L. Taylor and T. Kearnes. All are most enthusiastic firemen and boosters and are in the game for the love of it and are workers and boosters and good fellows.

Chief Cause is a typical old-time fireman and loves the game. He is on the job every minute, wears a regulation uniform, two beautiful gold badges and knows the game from A to Z. He would rather fight a fire than eat a meal and he sleeps with one eye open all the time. He and the others are proud of their equipment and have reason to be and the purchase of the two engines is a remarkable demonstration of progressiveness and public spiritedness for a community the size of theirs. They are setting an example to many larger cities.

The visit demonstrates the ease with which one community can assist another in case of need in these days of highways and motor apparatus. Come again Boyes folks.—Petaluma Argus.

Mullen's store at El Verano presents a fine appearance since its recent additions and repainting.

Frank Enger has gone back to the N. W. P. railroad and is now a conductor on the suburban run between Sausalito and San Rafael.

Mr. and Mrs. Al Murphy have been up from Oakland on a visit to their sister Mrs. Bridges, and mother, Mrs. M E. Brown.

Mr. and Mrs. L. H. Golton attended the Chicago grand opera company's production of "Faust" last Saturday night in San Francisco.

Mrs. Walter Murphy went down to San Francisco last week end to attend the opera "Faust" as presented by Mary Garden, Muratore and other stars at the auditorium.

Notice to the Public

My wife having left my bed and board on January 24, 1921, I will not be responsible for any bills contracted by her.

Signed: PIERRE RAULY.

Sonoma, Cal., April 18, 1921.

PEARS FROM FETTERS SPRINGS MUST BE PAID FOR

Tom Matsumoto, Japanese fruit buyer and seller, won a verdict over the Earl Fruit Company Saturday in the Superior Court, Judge R. L. Thompson giving his decision from the bench that Tom is entitled to full payment from the company for pears he delivered, with the exception of some 38 boxes, which were delivered on consignment.

Matsumoto asked $1254, together with interest, but will not receive quite that amount. The full price for A No. 1 pears, under a written contract with the company, was $2.40 a box. The consignment pears brought a little over a dollar a box, so the difference on the 38 boxes is subtracted from the amount sued for.

It was the contention of the fruit company that a verbal agreement was made with Matsumoto providing that four-fifths of the pears were taken on consignment, but Judge Thompson, in his decision, declared his inability to believe that a large corporation would deal with a Japanese without a written contract. Also Judge Thompson ruled, the testimony of witnesses from the Sonoma valley as to the quality of the pears from their ranches, sold to Matsumoto, and by him delivered to the corporation, could not be impeached.—Press-Democrat.

Matsumoto was the buyer of the pears on the Fetters property and the resort owners were among the witnesses for him.

Fred Batto went to Summit this week to look over his recent purchase, the Summit hotel, one of the leading resorts of the Sierras. Messrs. Joe Andrieux and Chas. McDevitt have been very busy getting their new business, which includes a general merchadise store, in shape for the season. Mr. Batto will consult with them and expects to be away frequently until repairs and additions to the hotel are completed.

Robert Pasch, formerly of this place where he was associated with his uncle, S.Schocken, in business, is now the owner of a candy and ice cream store on Park street, Alameda. He had been in Los Angeles prior to buying the business in the naval base city.

W. W. CARTER

will insure your automobile, your home, your barn, your plate glass front or any property of value. See him, next to Union Hotel, Napa St., Sonoma. 11-tf.

RED MEN AND DAUGHTERS OF POCAHONTAS HOLD SUCCESSFUL DANCE

Bear Flag Stamm and Daughters of Pocahontas, which is the kindred organization of the order, had a very successful and enjoyable dance last Saturdany night. Despite the weather about ninety couple participated in the dance and it was 3 o'clock before the affair broke up. The music had been engaged to play until 2 a.m., but everyone was enjoying themselves so much that the committee generously provided the orchestra for an additional hour. The Syncopated Four proved very popular with the crowd.

The Daughters of Pocahontas served fine refreshments and added considerable to the door receipts and proceeds for the sick fund.

The committee having the affair in charge were Messrs. Noller, Schrempf and Muller, Mesdames Joost, Randolph, Moebes and Colli.

OAKLAND RESTAURANT MAN LEASES PLACE HERE

J Anderson well-known Oakland restauranteur, where his place, the Cozy Kitchen has been quite popular, has leased the kitchen and dining room of Caliente Villa from Mrs. R. I. Lewis. The Villa has a number of state highway surveyors boarding there at present, and, in addition to the summer guests, will soon be catering to a big 1921 trade.

An Oakland barber is to lease the barber shop on the premises.

Harry Knight and a party of friends from Martinez stopped off to greet friends here last Friday night while en route north on a fishing trip.

Some FACTS About

Ford

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January, 1, 1921, and how many have been sold to retail customers in the United States.

	Produced		Delivered to Retail Customers
JANUARY	29,833		57,208
FEBRUARY	35,305		63,603
MARCH	61,886		87,221
Total Production	127,074	Total Retail Sales	208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce, and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

VINEBURG NEWS

The several heavy frosts of the past ten days have set the orchardist and the vineyard men guessing. Some say it done heavy damage, while others say not, but time will tell.

George W. Reed, one of Sonoma's foremost citizens and veteran station agents, was visiting this vicinity on Sunday.

Mr. Roy Baker of Winters was the guest of Vineburg friends on Sunday. Mr. Baker is an agent of the Earl Fruit Company.

Chas. Richards of Vineburg has just completed painting an artistic sign for John Batto & Sons on their spacious store at Batto's Spur that shows sure that "Our Charlie" is an artistic painter.

On last Wednesday, April 20th, 1921, at St. Francis church, in Sonoma, by the Rev. Father Byrne, Mr. Albert Groskopf and Miss Louise Batto, daughter of Mr. and Mrs. Fred Batto, were joined in the holy bonds of matrimony. The popular young couple are both natives of the Valley of the Moon and prominent members of the Native Sons and Daughters of the Golden West. After an elaborate wedding dinner, served at the residence of the bride's parents, with covers set for thirty guests, the happy couple departed on their honeymoon, an auto trip through sunny Southern California, and on their return will reside in peaceful Vineburg.

Roadmaster Fritz Helberg is now repairing and putting the roads in good condition with his new and up-to-date scraper and it takes some work to keep the roads up after the heavy automobile and truck traffic that goes over them, believe me.

Mrs. Morris Levy was the guest of Miss Mary Batto on Wednesday last.

Messrs. Fred Batto, E. Forni, Frederick Batto Jr. and Mrs. Chas. McDevitt and son Francise returned home on Tuesday evening after a four-days visit to the Summit of the high Sierras.

Mr. and Mrs. L. S. Simmons motored to Santa Rosa last Sunday.

Mrs. Margaret Gilbert has accepted a position at the Dutil bakery.

The Rector place of five acres at Vineburg has been sold.

W. Chester and Nellie O'Brien declare their intention of appealing from the recent decision in the Justice court here where they were fined $10.00 each.

Notice

The public is asked to immediately clear the streets and give the right of way to the fire department in case of a fire alarm. Give the exact location of the fire when you turn in the alarm.

SONOMA HIGH WINNER; TO BATTLE FOR CHAMPIONSHIP

Sonoma won the tennis tournament from Analy last Wednesday, the first singles being won by Hersee Hyde 7-5, 4-6, 6-3, from Davidson of Analy after the even playing possible. Sonoma finally winning the last set 6-3 and then came back and won the doubles, Hottle and Barlow of Analy defeating Hyde and Gilbert 3-6, 9-7. Sonoma had set point many times in the second doubles set, but the strong defense of Analy's team saved them from defeat. The deciding second singles match was won by Gilbert, 5-4, 6-3, which enabled Sonoma to win the tournament two out of the three matches.

This victory over Analy makes three straight for Sonoma. Petaluma and Sonoma will battle for the county championship next Monday at Petaluma.

The baseball game was witnessed by a large crowd and it turned out to be a very fast game, Analy finally winning 4 to 2, giving her the county championship. It was an errorless game, with the best team finally winning.

Dr. Ordhal of Eldridge lectured to the class in economics at the Sonoma High School this week.

NOTICE!

When reading your Index-Tribune keep in mind the date of your subscription to the paper that your account may be kept up to date. Subscriptions promptly paid are appreciated. On all yearly renewals and new yearly subscriptions we are giving Orchard and Farm with the Index-Tribune at a special price.

FREE LECTURE ON BEAUTIES OF REDWOODS OF CALIFORNIA

At 8 o'clock next Friday night there will be a free lecture at the Woman's Club House by Newton Drury of Berkeley, whose topic will be, "Save the Redwoods." The beauties of California's lovely trees will be shown and the illustrated lecture should enlist further interest in the campaign of the Save the Redwoods League.

Dance Tonight at Caneros

Theodor Beach is recovering from a severe illness which seemed to be a recurrence of the shellshock he suffered in France when he fought with the Allies overseas. He is now able to be out on a tractor at the ranch.

Mrs. Nettie Homer and her sister Mrs. Fowler were here from San Francisco recently visiting their mother, Mrs. G. A. Goess. Mrs. Homer's beautiful daughter who was a bride of last year has separated from her husband and is making her home with her mother again at one of San Francisco's leading hotels.

J. J. Dunbar, the Broadway merchant and agent for the Sharples cream separator, reports a sharp demand for this well known machine among dairy folks. Mr. Dunbar will be pleased to explain its merits to anyone interested.

The condition of Rev. Isaac Cookman, who was operated on at Eldridge, is very favorable and the pastor is making fine progress toward recovery.

Kaplan Enlarging

As a result of our steadily growing business, requiring added space for the convenience of our patrons and the proper handling of our increasing stock, we are this week engaged in making alterations which will greatly enlarge our store and facilitate the handling of our trade.

Our SHOE DEPARTMENT will hereafter occupy the rear of the building and will be reached thru the Napa street entrance, as well as the front.

WATCH FOR THE ANNOUNCEMENT NEXT WEEK OF AN IMMENSE

A new economy in motor car operation

The manufacturer of your automobile recommends, in the Instruction Book for your car, that the crankcase be drained out and flushed and then refilled with fresh oil at regular intervals.

This is necessary because engine operation causes a steady accumulation of road dust, carbon, fine metal particles and other impurities in the crankcase oil. This gritty oil circulates through your engine, impairs its performance and ultimately leads to rapid depreciation and repairs.

But cleaning the crankcase is a job generally disliked and neglected.

To meet this need, Modern Crankcase Cleaning Service has been established by first-class garages and other dealers co-operating with the Standard Oil Company. These garages and dealers use Calol Flushing Oil,—the scientific agent that cleans out old oil, dirt, grit and other impurities, and does not impair the lubricating efficiency of fresh oil used. The cleaned crankcase is refilled with the correct grade of Zerolene.

Look for the garage or dealer displaying the sign shown below—it means "Better operation and longer engine life."

DELIGHTFUL BIRTHDAY DINNER PARTY AT CAZES' RESORT

Mrs. Jean Cazes gave a delightful birthday dinner party in honor of her husband's birthday on Saturday evening last, at their home in Agua Caliente Park. The dinner table was tastefully decorated with forget-me nots and roses. The large birthday cake, lighted with candles, was presided over by the host. All spent a very delightful evening and enjoyed a wonderful dinner. Those present were Mr. and Mrs. Jean Cazes and family, Mr. and Mrs. L. Ducret and family, Mr. and Mrs. Joe Garoni and family, Mr. and Mrs. Hanson and family, Mr. and Mrs. W. F. White and family, Mr. W. H. Turner, Mr. Lewis L. Jones, Gus Tracy and Ed. Peterson.

The Millerick Brothers go to Chico on May Day to put on a big three day rodeo.

EXCEPTIONAL OFFER

ESTATE OF LATE JULIA BURRIS HAS VALUE OF $230,000

The appraisers of the property of the late Julia Burris, widow of David Burris, founder of the Sonoma Valley Bank, have completed their work of valuating the estate. Property in Kings, Fresno and Tulare counties is valued at $193,204. Appraisers Houston, Geary, H. F. Bates and W. W. Carter made the returns, the latter three filing an inventory of Sonoma county property totaling $33,761.66.

In Kings county Mrs. Burris owned $131,251.80 worth of property, in Fresno $11,152.20, and in Tulare $59 517

Jesse F. Burris is administrator of the estate, and children and grandchildren of deceased were willed the property.

Bradford Champlin, son of Chas. Champlin, who was injured by being thrown from a horse, is getting along nicely.

TELEPHONE COMPANY LETS CONTRACT FOR NEW BUILDING

The California Telephone & Light company has let the contract for a concrete building on its lot adjoining the Griffith building on First St. West to C. C. Bean, the local contractor, and the foundation has already been laid. The new structure is to be the future home of the telephone company here and the local exchange will move from the Castex building as soon as the new building is completed. It will be Mission style in architecture and will greatly improve the appearance of the street.

SPEEDWAY GROUND BREAKING SUNDAY

Tomorrow. (Sunday) is the date for the ground-breaking exercises for the North Bay Counties Speedway to be built at Cotati. Jack Prince, who has built other speedways that have proved the fastest in the world, was given the contract Monday by the directors of the Fair Association to build this one.

TEXANS LOOKING AT SONOMA VALLEY OIL PROSPECTS

O. C. Flageol and R. C. Steel of Texas have been looking over oil prospects in the vicinity of Agua Caliente and Kenwood They have been stopping at Caliente Villa.

The transfer of the 44 acres formerly owned by the Aguillons to A. Sorini has been recorded. Mr. Sorini was the leasee of the place before buying it. The ranch is situated in the foot-hills adjoining the N. W. P. depot here.
